

Create your own hero, simply by using socks and your imagination. What is your sock hero's story? Are they saving the environment? Are they an everyday hero, like a teacher or police officer? What makes them a good leader?

Check out wcl.govt.nz/redsockday for more details.

Drop your sock hero and the entry below into any library branch by 21 June and your sock hero will go on display at Central Library during Leadership Week (25 June–2 July).

The first 100 people to enter will receive a Sir Peter Blake Trust badge!
